

# CU Pharmacy

## Undergrad PharmD Pathways

Personalized Support  
Hands-on Experiences  
Accelerated Options

Want to spend less time in undergraduate school and more time earning a customized pharmacy education?

CU Pharmacy has partnered with four select institutions to help fast-track you to experiences and mentorships to help prepare you to be a stellar pharmacy school candidate.

The CU Pharmacy Mile High Pathway Programs are elevating the entire pharmacy experience.

## Pathway Perks

Spend as little as 2 or 3 years at any of our partner undergraduate institutions completing your prerequisite coursework.

During that time, you'll experience personalized advising, a CU Pharmacy student mentor, Pharmacist Shadowing, and enriching support every step of the way.

Once successfully completing the Pathway Program and accepted at CU Pharmacy, you'll receive a **\$5,000 Pathway Scholarship** and have the option of completing your BS degree alongside your Doctor of Pharmacy degree.
